Check out our wiki to get started. In NG+ , the player can get new hard-to-find items called Particle of the Outsider. Divide the group of people into teams, and have them hunted for items on a list. The particles are used to further upgrade the weapon and armor to 99+ . ~ Lebowitz, Josiah; Klug, Chris (2012-09-10). To play, let everyone share three things about themselves. Retrieved 2011-05-16. This game mode is most often found in role-playing video games, where starting with a New Game Plus, the player's characters usually start the new game with the stats and/or equipment with which they finished the last game. Divide the group into teams of two. View Collections Edit New Game Plus, (also called NG+), is an updated version of Story Mode. Note: This option should ONLY be used to report unwanted emails, advertisements and problematic (harassment, confrontation or rude) messages. Some differences between Regular Play and New Play Plus are: RG Gnome Copper and Silver are found more easily, but Gnome Gold is rare. Weapons and armor that have reached their highest level of upgrade can be further upgraded using the outsider's particles. During duels with General Asthar, Jirall and Therius automatically watch each other when two of the same attacks are used consecutively against them, unless they have been knocked down. Set a timer for 30 minutes, and have the team work together to untangle the knot without releasing their hands.CC0/vait\_mcrighth/Pixabay Perfect SquareIn Perfect Square, the team sits together around a circle of rope with up bandages. New Game Plus is also As "Replay Mode", "Remorting", "Challenge Mode", or "New Game Ex".
